**RE: Authorization for the Reclamation Surety Estimate**  
**Bown Stone Products: Desert Sienna Quarry; T. 21 S., R. 8 E., Sections 5 and 6,**

Dear Mr. Baker:

The Bureau of Land Management (BLM) has received the *Bown Stone Product's Desert Sienna, Reclamation Surety Estimate* submitted by Mr. Paul Baker on behalf of the Utah Division of Oil, Gas, and Mining (UDOGM) via e-mail on February 14, 2008. After a short deliberation, BLM has concluded that the \$20,700.00 surety will be adequate to cover potential reclamation expenses and is therefore approved.

As stated above, BLM approves of the surety estimate of \$20,700.00 for the Bown Stone Product's Desert Sienna Quarry. If you have any questions or comments please contact Chris Conrad at (435) 636-3667.

Sincerely,

Michael Stiewig  
Associate Field Manager
